

Program Specifications

1. How are the corporate programs delivered?

Most programs are offered online, but we also provide in-person or hybrid options for specific workshops, corporate consultations and services.

2. Are corporate programs customizable?

Yes, corporate programs can be tailored to meet the unique needs and goals of organizational leaders and teams. Similarly, individual programs are also adaptable to align with specific objectives and preferences.

3. What is the duration of the corporate programs?

Program durations vary, ranging from single-session workshops to multi-week or ongoing courses, depending on the topic and organizational goals.

4. How are corporate programs implemented?

Programs are delivered through workshops, interactive training, and educational seminars. They can be offered as standalone sessions or as part of an ongoing organizational development plan.

5. Are corporate programs scalable for small or large teams?

Yes, the programs are designed to be flexible, accommodating organizations of any size and adaptable to different schedules.

6. Do you offer packages for multiple sessions or long-term partnerships?

Yes, we provide tailored packages for organizations interested in multiple programs or long-term collaboration.
